

Benefits for LinTek's members

As a member of LinTek you have a range of benefits. Below, you can read more about the different benefits.

[Hg]

15 SEK cheaper entrance for LinTek members, representing an entrance fee of 45 SEK instead of 60 SEK. This applies on Fridays and Saturdays and is conducted through a card reader at the entrance.

Nationernas Hus

A discount of 30 SEK on the entrance fee LinTek members, representing an entrance fee of 30 SEK instead of 60 SEK. This applies on Saturdays when no special events are organized and carried out by using a card reader at the entrance.

Trappan

Discount tickets for LinTek members. Negotiations about the exact discount are ongoing. This is implemented by the use of a card reader at the entrance.

Örat

Discounts on rental of premises for LinTek members. Members: 50 SEK per person, minimum 1 500 SEK. Non-members: 65 SEK per person, minimum 2 000 SEK

Bokakademin

Selected titles of textbooks are discounted with 30 SEK for LinTek members. A list of these titles will soon be posted here.

LARM

Preference to working as a host at LinTek's employment market days (LARM), and priority to participate in activities at LARM is given to LinTek members.

Kravalls

There will be member tickets, which is 20 SEK cheaper, to parties arranged at Kårallen by LiTH's festerier. The number of member tickets is limited to 10% of the total amount of tickets and the principle first come is applied. Tickets are bought through the festeri during their usual release of their tickets. To purchase a ticket requires a LinTek membership and that you have your updated LiU card with you. Only one ticket per membership can be bought. If you want to buy member tickets for your friends who also are members of LinTek but can attend the release, all LiU cards must be shown and the maximum number is determined by the rules the

festeri sets (most commonly 4 tickets per person). Almost all LiTH-festeris has one event at Kårallen with member tickets per academic year.

München Hoben

If you are a member of LinTek it costs 80 SEK for a ticket to München Hoben instead of 120 SEK. This is implemented by using a card reader when buying a ticket.

Student Orchestra Festival (SOF)

If you are a member of LinTek it costs 300 SEK for one weekend ticket to SOF instead of 400 SEK. Even one-day tickets are discounted. This is implemented by using a card reader when buying a ticket.

LiTHanian

LiTHanian, the LinTek student union magazine, is sent out for free to all members four times per academic year.

Business Events

As a member of LinTek you get priority access to LinTek's business events. This might include lunchtime lectures with companies and industry evenings.

LinTek's Climate Week

As a member you get priority access to activities during LinTek's Climate Week.

Campushallen

If you are a member of the union and buy a gold card at the Campushallen before September 30th 2010, your card will be valid for two months beyond the normal time at no extra cost. This benefit is recorded by showing your updated LiU card at the purchase.

Studentcafé

If you are a member of LinTek you may buy a hot drink 1 SEK cheaper (correspond to 25%) at the Studentcafé in Norrköping. You get when you showing your updated LiU card at the purchase.

NAFFI

As a member of the union you get a 100 SEK discount on an academic year membership to NAFFI (Norrköping Academic Association for Sport). The regular price is 400 SEK/year.

Impact and Engagement

As a LinTek member you have the opportunity to get engaged both in LinTek committees and lobbying against the university. Examples of this are student

representatives, vote for next year's FuM (council), and to be in FuM yourself.
